## FOR IMMEDIATE RELEASE

THURSDAY, JUNE 5, 2008

### **CORENET NJ TO HOST 2008 SUMMER SOCIAL AT "GOLF HOUSE," THE HOME OF THE UNITED STATES GOLF ASSOCIATION**

NEWARK - NJ - CoreNet (Corporate Real Estate Executives Network) Global, New Jersey Chapter, has announced that the 2008 Summer Social will be held on the grounds of "Golf House," the United States Golf Association Headquarters on Liberty Corner Road in Far Hills, New Jersey. The event will take place on Thursday, July 10, 2008 from 4:00 P.M. to 8:00 P.M.

The Summer Social annually attracts executives from the state's most prestigious real estate development and economic development firms for a relaxed afternoon of networking and camaraderie.

The USGA Museum seeks to preserve the rich traditions of the game of golf, as well as celebrate its participants and most memorable moments, by developing and maintaining collections of historical materials. The Museum is dedicated to presenting these collections to the public through educational and engaging exhibitions.

The USGA, home to the premier collection of golf memorabilia in the world, began collecting historical materials in 1936, with collections now numbering than 42,000 artifacts, a library of more than 20,000 volumes, more than half a million photographic images, and several thousand hours of film and video footage.

Among the many treasures are over 400 clubs and balls used by USGA champions, including Bob Jones' legendary Calamity Jane II putter that he used to capture 10 of his 13 national titles, Alan Shepard's "Moon Club," artifacts from the World Trade Center, and a driver that was carried up Mt. Everest. Even the unique aesthetic beauties of game are captured in works of art by renowned artists such as Rembrandt van Rijn, Norman Rockwell, and Thomas Lavery.

"The Summer Social provides a unique opportunity for members and friends of CoreNet New Jersey to network in a relaxed atmosphere at one of New Jersey's most storied locations," stated CoreNetNJ President Tim Comerford. "Golfers and non-golfers will appreciate the incredible sense of history that is found at Golf House."

Registration is available online at [www.corenetnj.org](http://www.corenetnj.org). Fee for the Social is \$125 for CoreNet members, \$150 for non-members and \$200 at the door.

Additional scheduled events for CoreNet NJ include the Annual Golf Outing on Monday, September 15, 2008, at Mountain Ridge Country Club in West Caldwell, New Jersey, and the Annual Holiday Party on Thursday, December 4, 2008 at Highlawn Pavilion in West Orange, New Jersey.

#### BACKGROUND

CoreNet Global is the world's premier association for corporate real estate and related professionals, serving as the global learning organization and the world's thought and opinion leader serving the entire industry.

The New Jersey Chapter is in its fourth year, focusing on providing the real estate and development industry in New Jersey with up-to-date information to enhance profitability. Among the issues addressed are: case studies relating to state incentive programs; best practice presentations; review of the state's telecommunications infrastructure; major project overview including the Xanadu Meadowlands Project and the NJ Devils Newark Arena Project.
