What's the biggest work/COVID-19 challenge you're facing this week?

To find stable suppliers of sanitary goods, masks and other.

What's the current situation in your city relative to opening non-essential businesses?

As of May 14, all prefectures are under the emergency situation and are requested to stay at home or work at home as much as possible.

In this evening, most of prefectures will be released this self-quarantine but still will be requested some limitation.

As for Tokyo and other close prefectures will be under the emergency situation until the end of May. Non-essential business will not be re-start for a while around Tokyo areas.

How do you think COVID-19 will bring about permanent changes in corporate real estate and workplace strategy?

- Frequency of meetings and shift from an in person to online meeting.
- Office layout
- Working hours (start time and end time of working to avoid the peak hours)
- Office location (shift from Tokyo to other cities)
